Product Description

For those eccentric enough to entertain yourself and your friends with good music while traveling along waterways, this boat creates a unique quality. Two easy access lockable Pelican® boxes are conveniently mounted in the cockpit console for small personal items such as sunscreen, keys, etc. and the AM/FM stereo with equalizer and CD. Includes: 12v. 17 Amp GelCel battery, carrying strap, plug-in wire harness, and battery charger. Designed for use in all types of water: lake, river and ocean; however saltwater use not recommended due to the sensitivity of electronic components. Standard features include: UV protected ABS thermo-formed construction, with adjustable foot rests, sliding hatch with lockable marine grade latch and carrying handles fore and aft, positive floatation, total capacity of 425 lbs including 5 cu. ft. of enclosed stowage capacity and open cockpit accommodations for a passenger as tall as 6' 4" (performs best for persons weighing up to 200 lbs). Length 14 feet, Beam 23 inches, Draft 4 inches. Weight approximately 60 pounds excluding battery.
